# VEHICLE GRAPHICS

## SMALL VAN OPTIONS

We have composed 15 template options to help you decide what level of coverage will work best for your van and the associated costs.

Our design team will use your selection as a guide, adding a creative touch to suit your brand & make your van unique!

Your design fee covers a first draft and up to 3 sets of amendments. If you need more time for changes we will let you know any additional costs in advance.

# BETTER TO BE BASIC?

Companies operating larger fleets will often opt for a more basic approach to their vehicle graphics. This helps to reduce costs when regularly renewing leases and minimises down time.

## FRONT Bumper wraps

Most vans have grey plastic bumpers which can't be wrapped. Some however, are colour coded and should be incorporated into the wrap design where necessary.

**£295**

+vat each

## Wing Mirrors WRAPPED

Wing mirrors don't usually provide that much impact towards a wrap design, but can be included to complete the look, providing they are colour coded & not grey textured plastic.

**£50**

+vat each

## PIPE TUBES WRAPPED

Rhino tubes are a great way to extend your advertising which is often overlooked. We can fully wrap pipe tubes with text & graphics to your liking.

**£140**

+vat each

If your chosen option doesn't include any graphics to the front, you can add a bonnet logo or full bonnet wrap

**£45/140** +vat
